Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant, Jonathan Cory Valle, is hereby placed on Probation on Count 1 of the Information for a term of **EIGHTEEN (18) MONTHS** under following terms and conditions:

- 1. The defendant shall comply with the rules and regulations of the United States Probation Office, General Order 05-02, and General Order 01-05, including the three special conditions delineated in General Order 01-05.
- 2. During the period of community supervision, the defendant shall pay the special assessment and restitution in accordance with this judgment's orders pertaining to such payment.
- 3. The defendant shall apply all monies received from income tax refunds to the outstanding Court-ordered financial obligation. In addition, the defendant shall apply all monies received from lottery winnings, inheritance, judgments and any anticipated or unexpected financial gains to the outstanding Court-ordered financial obligation.
- 4. The defendant shall cooperate in the collection of a DNA sample from the defendant.
- 5. The defendant shall not engage, as whole or partial owner, employee or otherwise, in any business involving the sale, distribution, or manufacturing of tactical goods including, but not limited to, flashlights, optical scopes, magnifying scopes, weapon sighting systems, rails (that is, brackets that provide standard mounting platforms for accessories), and risers (that is, an attachment to the firearm against which the user's cheek is placed, so as to enhance aim) without the express approval of the Probation Officer prior to engaging in such employment. Further, the defendant shall provide the Probation Officer with access to any and all business records, client lists, and other records pertaining to the operation of any business owned, in whole or in part, by the defendant, as directed by the Probation Officer.
- 6. The defendant shall perform 60 hours of community service, as directed by the Probation Officer. The Court recommends that the community service be done with an organization associated with the Veterans such as Wounded Warriors or a similar organization relating to law enforcement.

Defendant is not required to comply with the terms and conditions concerning computers and computer-related devices recommended by the Probation Officer; provided, however, this ruling is without prejudice to a later request by the Probation Officer to impose such conditions based on any future conduct by the Defendant that is claimed to warrant that action. The process for such a determination is to be the one by the Probation Officer; not a request for re-sentencing.
